## Quality & Safety First

As an industry leading tech company, we bring safe, high quality products to consumers at a rate of over 1.5 million units a year. We are committed to making sure all of the thousands of products per week we produce meet the highest standards for safety and quality.

BrandCharger is among the first to achieve ‘Product Safety Aware’ status in the Promotional Products Association International (PPAI, UNITED STATES) Product Safety Awareness Program.

“All BrandCharger products are equipped with every safety feature available. Products have never been safer before!”

## Awards

By winning 19 Industry awards and being nominated many times around the globe in just 7 years we have proven to be a serious player in the Corporate Gift Industry.

Every award inspires us to be even more eager to stay ahead and bring our industry beautiful products.

Stylish laser cut clip that holds your pen in your shirt pocket, the clip is contoured for easy handling.

# Picasso

Picasso, a writing instrument that won't run out of ink. The pen has a carbon fiber tip that never needs sharpening and can write up to 15,000 meters. It's an amazing gift for artists or doodlers! It won't smudge and can be used upside down or under extreme conditions. Its body is precision machined from a single block of aluminum giving Picasso it's sleek appearance. Say no to ink!

With Picasso you may never need to buy another pen again.

**NEW**

Size: 165 x 9 mm

Logo Size: 100 x 7 mm

## How to brand?

Your logo engraved on aluminium surface with high precision laser.

## Packaging

Black paper box with product in paper tray

## Inkless

This new type of pen will never let you fall into the trap of ink shortage.

## Carbon fiber tip

Never needs sharpening, tip lays down a grey line that won't smudge or erase.

## Eco Green

Writes up to 15,000 meters. Write and draw endlessly.

## Aluminum Foundation

Precision machined from a single block of solid aluminum.

# Alumina

Alumina is constructed from a single sheet of aircraft-grade aluminum, stamped flat and smoothened for an unhindered glide. At the same time, the molecular rebonding from the machining process creates a highly rigid structure for maximum durability. It is then sand-blasted for a texture that further aids tracking precision and provides a great feel under your hand as you swipe.

Product size: 22 x 18 cm

## How to brand?

Your logo engraved on aluminium surface with high precision laser.

## Envelop packaging

Minimalistic envelop design using black craft carton and specs printed in silver.

## Optimized Tracking Surface

Alumina's entire surface has a lab-developed microscopic texture that delivers the most consistently accurate sensor readings.

## Protective Chamfer Design

Ultra-thin material with smooth chamfer triple polished edge for superior feel and style complementing your computer, laptop and desk.

## Diamond shape rubber base

Alumina's diamond pattern rubberised base provides a firm grip, ensuring the mouse pad stays securely in place and protecting your desktop from scratches.
